

# IPPC APPLICATION WORKSHOP

Wednesday 25 August 2004 09:30 – 12:30 at CIRCE

## An opportunity to get up to date with changes in IPPC legislation

Coming up to your PPC application?  
Confused by changes in IPPC regulations?  
Want up-to-date information and guidance? And would like to hear what it's really like to make an application?

## Join us at CIRCE for a half-day workshop on IPPC

- Get information direct from the EA
- Listen to how regulations have changed, and may change in the future
- Hear how Akcros made their application
- Learn from other industries experience - avoid expensive mistakes

## All Welcome

The workshop is aimed at chemical companies who are applying in 2004/5 (inorganic) and 2006 (speciality organic).

PPC permit holders who are unsure of how recent changes may affect them are also welcome.

## Speakers

- **Simon Holbrook**, *Environment Agency*  
*Experience of PPC and the Organic Chemicals Sector; Making a PPC Application: the process and available tools.*
- **Ray Cottam**, *Akcros*  
*IPPC – An Applicant's Experience*
- **Jennifer Boniface**, *Golders Associates*  
*PPC – Lessons from Other Sectors – Top Tips and Unexpected Benefits*
- **Janet Murfin**, *CIRCE & TT Environmental*  
*Key PPC issues for Organic Chemicals Sector in 2006*
